- Top 20 position in the National Cross Country Championships at senior men or women or Top 10 in any other age group, including English Schools

Awarded to members whom receive an International Masters vest when selected by a National Governing Body

Conditions

1. Where the performance is achieved during the current calendar year, free membership is awarded and commences for the next membership year on the next 1st March.
2. Only includes recognised Track & Field, Road and Cross Country competitions.
3. Athletes must complete a membership form each year to enable the membership secretary to gain the information required to renew athlete registration.
4. Athletes must be first claim members of Mansfield Harriers during both the time when the achievement was made and during the full period of the award.

5. Free membership ceases when the period of award is completed, or the member ceases to be a first claim member, whichever is sooner.
 6. Free membership can only be awarded once for each category, competition and international selection, however this can be upgraded to life membership.
 7. Athletes competing under any other recognised group/club at the time of the achievement are not eligible.
 8. All awards are subject to verification before notifying the member, by the club Trustees prior to the new membership year commencing.
11. General meetings of members
